NEVADA THE MINERAL STATE OF THE UNION

PREDICTS STATE WILL PRODUCE QUARTER OF WEALTH

Most of Precious Minerals of the Country Will Come From the Mines of Nevada

SONS OF WEST TELL OF STATE'S GREAT FUTURE

Waldorf-Astoria, in New York, Is the Scene of Big Gathering of Enthusiastic People

NEW YORK May 15—A mining camp attired in the clothes of conventional civilization had a session last night in the East Myrtle room of the Waldorf-Astoria, and in eloquence and vaudeville rang the praises of Nevada

Nearly every man present was a native of the State beyond the Rockies

Malcolm L MacDonald, who was born eleven miles from Comstock said he was glad of it and that the world had but a feeble conception of the possibilities of Southern Nevada

He said he would not hesitate to declare that within the next ten years Nevada would produce at least 25 per cent of the metal values of the country San Francisco would be rebuilt in greater glory than any other western city within the next ten years and in that period Nevada would have produced enough mineral wealth to pay for it

C D Wrenn secretary to C M Schwab who owns much Nevada mining property said that Schwab on his last visit to Nevada had been skeptical as to her development when he entered the State He went away an enthusiastic boomer Wrenn declared that more money would be taken out of Nevada in the next few years than from any State in the Union Her soil had merely been scratched

Mr Pitman said that the object of the gathering was to persuade New York to act as an 'office for Nevada without the interference of middlemen particularly San Francisco brokers

Then the red curtains of the vaudeville hall adjoining the dining room parted and the prospectors mining experts and their friends thronged in

CARL SCHURZ DEAD; FUNERAL THURSDAY

NEW YORK May 14—Carl Schurz died here at an early hour this morning

Partial arrangements for the funeral were decided upon tonight The services will be held at the family residence Thursday afternoon and will be attended only by the members of the family and few personal friends It is understood this plan is in accordance with a wish often expressed by Schurz Immediately following the services at the home the body will be conveyed to Tarrytown where interment will take place in Sleepy Hollow cemetery

AWARDS HIGH RATE TO ANTHRACITE MINERS

TAMAQUA Pa May 14—Commissioner Neil who was appointed by the anthracite strike commission to compute the rate of wages for anthracite miners has notified the coal operators that the miners will be paid eight per cent on the $4 70 basis for the month of May the average prices of coal at tide water last month being $4 93 per ton

This is the highest rate at which miners have been paid since the commission made its award

BURNED BY MOLTEN METAL

CHICAGO May 14—Fifteen men were injured two of them fatally by the bursting of a ladle holding fifty tons of molten metal in the converting mill of the Illinois Steel Works at South Chicago today

Nine Are Cruelly Slain and Bodies Cremated in Home

PENSACOLA Fla May 14—In Santa Rosa county, ten miles north of Milton last night an itinerant preacher named Ackerman his wife and seven children the eldest about fourteen years old were killed and their bodies partly cremated in their home which was burned by the assassins The crime was discovered this morning by persons with whom Ackerman had an appointment They found the house in ruins and the partially charred bodies scattered among the wreckage with their skulls crushed

GREAT BRITAIN NOW WITHOUT HOME DEFENSE

Statement Made in the House of Lords That There are Not Sixty Up-to-date Guns in the Country and That Compulsory Service Must be Adopted

LONDON May 15—In the House of Lords today the Earl of Wemyss and March Conservative called attention to the question of home defense He asserted that the country was practically without an army and that there were not sixty up to-date guns in the country The question he said would be solved if the Government had the courage to adopt the system of compulsory service at home and voluntary service abroad

The Earl of Portsmouth parliamentary secretary for the War Office replying said the Government had a mobilization scheme under consideration which it was hoped could mobilize its forces for defense as quickly as any continental power Further schemes had been prepared for the defence of British ports which the speaker confidently anticipated would be placed in a position to resist any sudden attack In these schemes the Admiralty the Earl of Portsmouth said fully concurred He reaffirmed the principle that the country must look to the navy and not to the army for its defense against invasion

SEARCHLIGHTS TO AWE REBELLIOUS ZULUS IN AFRICA

Promise to Prove as Effective Weapons in the Present Trouble With the Natives as is Shown by an Experiment Before Big Gathering

DURBAN Natal, May 14—Searchlights promise to prove as effective weapons in subduing the sedition of the Zulus as the British guns judging from the display given last night by Native Commissioner Sanders before a huge gathering of Zulus at the Khandhuli headquarters of the Punitive force

The natives were awe struck and regarded the searchlight as the eye of the Almighty and said that God had turned it upon them in his anger The flashing of the light on the surrounding hills bringing in plain view the Kaffir trails as far as the horizon powerfully impressed the Zulus who when the light was suddenly flashed in their faces cowered and fell on the ground before what they termed the latest witchcraft of the whites

AUTOPSY SHOWS MAN'S HEART TO BE ON RIGHT SIDE

MADERA Cal May 14—A sensation was created here today when the surgeon who held an autopsy on the Southern Pacific track walker body of David Lichey a former discovered that the heart was on the right side The organ was in an normal condition and Lichty was never known to have complained of any ailment Death resulted from a rupture of the aorta

ROOF OF BOX CAR IS BLOWN OFF

Yesterday's Gale Was Lively Enough to Do Extensive Mischief Carson City Local Is Tied Up by the Tornado for an Hour

CARSON CITY May 14—This afternoons local got in the track of the tornado at Huffakers and the roof of one of the boxcars was blown completely off It lighted on the top of a passenger coach and was again lifted by the gale and tossed onto the near-by electric light and telegraph wires The train was delayed nearly an hour by the accident and communications between Carson and Tonopah was temporarily shut off

The prevailing wind created havoc near Alum Creek A pole was blown down and wires tangled up badly for awhile The damage was located and speedily repaired In Carson City the wind did some damage to fences and insecure chimneys A cottonwood tree growing in front of the Arlington hotel was blown down causing temporary suspension of traffic on the street until the tree was cut up and carried away

COLD RAIN CAUSES MISERY AMONG REFUGEES

San Franciscans Suffer From Downpour Even the Householders Having Great Difficulty in Cooking Their Usual Meals in the Streets

SAN FRANCISCO May 14—The cold disagreeable rain which fell all this forenoon created much misery among the refugee camps and even caused considerable annoyance to householders who were cooking in the street

Though it is the middle of May and rain is very unusual at this period the ashes which drifted into the sky during the three days of the conflagration, are believed to have concentrated sufficient moisture to cause many slight drizzles for some time to come It is most unfortunate at this particular time when a third of San Francisco's population is camping

Refugees Suffer Much

Many of the tents in Golden Gate park the Presidio and Fort Mason are without plank flooring and become damp at once The shacks throughout the vacant lots in which many of the refugees are living are poorly constructed and leaky It is difficult to build outside fires in the rain and the homeless are without proper means of drying or warming themselves Happily the rain was of short duration and the afternoon was ushered in by bright sunshine

To Amend Lease Law

At a meeting of the committee on special session of the legislature today it was unanimously decided that the present fifty-year lease law be amended so that 99 year leases will hereafter be permitted in the state This is looked upon by the real estate men as a most important step as they maintain that under the new conditions building will progress very rapidly The committee also decided to recommend an increase on the inheritance tax and on corporation license.

The state will be asked to authorize the issuance of bonds in the sum of $600 000 to be a tax on the tonnage of San Francisco for a re-construction of those portions of the wharves and seawall destroyed in the recent calamity

FIGHT PROMOTER HAS CLERGYMAN ARRESTED

SALT LAKE May 14—Rev D A Brown pastor of the First Baptist church was arrested here today on a warrant sworn out by Jim Donaldson a promoter of pugilism charging perjury Rev Brown representing the Salt Lake Ministerial Association was instrumental in preventing the Young Corbett-Dick Hyland contest He swore out warrants charging the pugilists and Donaldson the promoter with conspiring to violate the law against prizefighting and they were arrested

Donaldson now charges that the contest would have been in no sense a prizefight and that the preacher committed perjury in swearing to the complaints

Later in the day the perjury charge against Rev Brown was dismissed on motion of Assistant County Attorney Hanson who stated there was no foundation for the charge

AUSTIN CHAMBERLAIN TO WED

LONDON May 14—The engagement of J Austen Chamberlain chancellor of the exchequer in the late Balfour Cabinet and Miss Ivy Muriel daughter of H L Dundas of Datchet Buckinghamshire, now chief of staff at Gibraltar

VINITA I T May 14—An Indian runner arrived late tonight with news that the Wehlitts' Indian outlaws have been located in the brush of the hills near Spavinaw Marshal Darrough is sending blood hounds tonight and will go himself with a possee early in the morning A fight is expected

POTS AND PANS FOR REFUGEES

SAN FRANCISCO May 14—Mayor Schmitz will be in receipt of a carload of agate enamelware in a few days This rather unique donation to the relief fund was made by Lilance & Grosjean of New York city who believe that cooking utensils will form valuable adjuncts to the tented homes of the refugees

TWICE HANGED IS CHARGE MADE BY WOMAN

Ms. Hattie McIntosh, Accused of Complicity in Murder of Her Husband, Says Mob Took Her From Her Home and Strung Her Up

OKOLONA Miss, May 14—Mrs Hattie McIntosh a white woman, and who was recently arrested charged with complicity in the murder of her husband and who gave bond, reported to the officers at Okolona today that last night a number of men visited her house took her to a tree and threatened to hang her unless she revealed her alleged accomplices in the murder Mrs McIntosh declined to talk whereupon she was strung up for several seconds

Upon being lowered to the ground she still refused to answer questions after which she declared she was strung up a second time and when the rope was taken from her neck she heard her assailants announce that she was dead Her body was carried into the woods and left there The woman said she revived and immediately came here to tell her story

THREE GIRLS PERISHED IN RUINS OF A SMALL BAKERY

Body of One Found by Father, and Brother in Search Finds Ring and Some Bones of Sister, Third Cannot be Traced

SAN FRANCISCO May 14—The fact that three girls perished in the ruins of Posses Bakery on Sixth street as a result of the fire and earthquake was established today Sometime ago the charred remains of a girl named Bock were taken from the ashes of the place by her father Today William Brumeister searched among the ruins for traces of the remains of his sister Annie who had been missing since April 18 The girl wore a peculiar ring upon which was engraved the letter A The brother today found this ring some human teeth and bones A third girl named Allen who was employed in the bakery has not been seen since April 17 The three young women slept in the rear of the store because they were obliged to begin their duties at a very early hour in the morning It is believed they were either killed outright in the wreck of the building or were pinned down and later burned to death

PRESIDENT GOES ON RECORD ON THE RATE BILL

Issues Long Statement in Reply to Incident in the Senate Chamber on Saturday

DENIES HE INSISTED ON ANY AMENDMENT

Senator Tillman Will Make Reply in the Upper House, if Possible, Today

WASHINGTON May 14—The sensational rate bill incident in the Senate Saturday during which Senator Tillman on the authority of Former Senator Chandler made statements regarding the President's course in connection with the pending railroad rate legislation some of which statements were denied by Senator Lodge on behalf of the President had its sequel this evening when a statement was issued at the White House giving an account of the subject on the part of the President and Attorney General Moody The statement comprised two letters one from the President to Senator Allison and the other from Attorney General Moody to the President both dated today The President says

Denies Pledging Himself

In no case either the case of Mr Chandler or any one else was there the slightest opportunity for any honest misconception of my attitude or any belief that I pledged myself specifically to one and only one amendment or set of amendments or that I would not be satisfied with any amendment which preserved the essential features of the Hepburn bill as it came from the House

The President says that as to many of the amendments including the so called Long Overman Bacon and Spooner amendments he had said he should be entirely satisfied to have them in the bill and suggested modification as to other amendments but that as to none (of the amendments) did I ever say either to Chandler or any one else that I should insist upon having them in the bill as a condition of my approval and that on the other hand he (the President) was careful to state that he was not trying to dictate any particular programme of action

Referred to Allison

The President says the statements made to Former Senator Chandler were the same in substance as those made to Allison and other Senators of both parties He says he was asked to see Chandler as the representative of Tillman in charge of the bill and that conferences Attorney General Moody had with Senators Tillman and Bailey were such as had been held with many other Senators to determine the phraseology and discuss the effects of amendments proposed by them The President states that he became convinced that it was impossible for Senators with advantage to use him as an intermediary and suggested to all whom he spoke that they communicate with Senator Allison whose purposes and the President's were identical The President says that his own opinion in that the Allison amendment in no way changed the court review as provided in the original Hepburn bill as also the opinion of Attorney General Moody and Secretaries Root and Taft

Moody's Stand

The Attorney Generals letter gives an account at the President's request of the conferences which Moody had at the President direction with Senators Tillman and Bailey regarding the court review features He says he advised the President that he should not at any stage become finally committed beyond recall to any form of language in any part of the bill and the President affirmed the wisdom of that course He reviews the discussion of interlocutory injunction and concludes that there was nothing in the 'conversations between the Senators and himself which bound the President to any particular amendment

Tillman Will Explain

Senator Tillman talked freely tonight with a number of his callers about the statement issued by President Roosevelt He expressed his preference however not to be quoted pointing out that whatever he wished to say in the subject of the statement he would say on the floor of the Senate

KEPT BUSY TABLING RAILROAD BILL AMENDMENTS

Senate Devotes Entire Day's Session to Consideration of Various Suggestions to Original Measure, but All Are Rejected in Different Ways

WASHINGTON, May 14.—The session of the Senate today passed without an exciting incident and without the adoption of a single amendment to the railroad bill, notwithstanding that measure was under consideration practically all the time from the hour of convening, 11 o'clock, until adjournment, at 5:15 p. m.

The most characteristic feature of the day was the rejection of amendments. This was accomplished either by direct vote or by the process of laying on the table, and one followed another in rapid succession.

Liability of Railroads

Among the provisions thus adversely disposed of were several intended to fix the liability of railroad companies for injury to employes. The presentation of provisions intended to acomplish this purpose had the effect of bringing out a practically authorative statement that the committee on interstate commerce will report the independent house bill on that subject, which is now pending before it.

For a New Commission

When the Senate adjourned, the eighth section of the bill, regulating the personnel of the Interstate Commerce Commission, was under consideration, and adjournment was secured at a somewhat earlier hour than usual in the hope that there could be prepared a more acceptable provision covering that subject than has heretofore bee npresented. Senator Lodge offered a substitute for the pending section, providing for a new commission of nine members, one from each of the judicial circuits, but indicated a willingness to accept a modification suggested by Senator Bailey, requiring the creation of nine transportation districts, with one member from each of them.

DEFUNCT COMPANY WILL PAY FIRE LOSSES IN FULL

The Traders Now in Hands of Receiver Will Make Good all San Francisco Claims Then Court Will Allow Business to Go on as Usual

CHICAGO, May 14.—At a meeting of the directors of the Traders' Insurance company, which passed into the hands of a receiver a short time ago, because of the losses of the company in the fire at San Francisco, it was decided to pay the losses dollar for dollar. As soon as the directors show the court that the losses have been paid, the receiver is to be dismissed and the company will be continued in business.

Pennsylvania Lost $7,020,250

PHILADELPHIA, May 14.—The Pennsylvania Insurance companies, nine in all, have submitted statements of their condition and showing an aggregate loss in San Francisco of $7,620,250.

Total Losses $5,000,000

LONDON, May 14.—Shareholders of the London and Lancashire Insurance company today ratified the increase of capitalization to $25,000,000. Their losses in California are estimated at $5,000,000.

LONDON'S UNEMPLOYED PARADE THE STREETS

LONDON, May 14.—Thousands of unemployed persons of both sexes marched today to Hyde Park, where James Keir Hardie and George Nicoll Barnes, Labor party members of Parliament, presided at meetings. The object of the demonstration was to impress upon the authorities the fact that there are thousands of genuine unemployed people in the metropolis.

The meeting adopted resolutions calling upon the authorities to recognize the right of all to work. Hardie promised that the labor member of Parliament would do everything in their power to force the question of the unemployed upon the atention of the Government.

MAGAZINES EXPLODE, CAUSING GREAT DAMAGE

BRIDGEPORT, Conn., May 14.—Four magazines in the testing grounds of the Union Metallic Cartridge Company in the east side exploded at an early hour this morning, the concussion shaking the whole city and causing great alarm among many persons who believed that there had been a second earthquake. There were two explosions, with but a second's interval between, and a large amount of powder was destroyed. So far as known no person was harmed.

The four magazines which exploded contained 25,00 pounds of powder each.

BACK FROM SOUTH AFRICA

James Lafayette Henry has returned from South Africa where he has been employed for several years as mining engineer for a company. He will open a mining engineering office in this city in compny with Edward Hardask, who also recently returned from South Africa. Both men are well known in Nevada and are graduates from the state university. Henry reports that B. C. Leadbetter, formerly of this city, was ill with typhoid fever when he left South Africa, but all other Nevada boys were doing well.

CAT CLAWS OFF EAR OF MAN WHO SNORES TOO LOUDLY

CARSON CITY, May 14.—Ben Winnie, driver of the Briggs House bus walked into Dr. Von Radesky's office this afternoon carrying his left ear in his hand. While the doctor was sticking the member on again with twenty-seven stitches, Winnie said he thought he had been hit on the head with a mallet by some one who afterwards cut off his ear. But Fred Gifford came in the office about that time and said he had witnessed the whole affair. Gifford states that a large Maltese cat took offense at Winnie's loud snoring in the buss and made a sudden swoop on the sleeping victim; who fell from the buss to the ground. The fall accounts for the bruise that Winnie thought had been inflicted by the mallet, and the cat's claws account for the severed ear. Dr. Von Radesky believes that he has made the ear a fixture again on Winnie's features.

DYNAMITE BOMBS SENT TO SPOKANE DOCTORS

SPOKANE, Wash., May 14.—Two dynamite bombs, each consisting of two sticks of the explosive, with a fuse attached, were found this morning on the front porches of the residences of Dr. N. Fred Essig and Dr. Erich Richter. It is believed to be the work of the unknown man who has been scattering circulars signed, "Wm. Miller," denouncing these and other doctors. No caps were attached to the bombs.

Just received—another carload of Fredericksburg beer, at Becker's.

FINDS THE BODY OF FRIEND AFTER A LONG AND WEARY SEARCH

For Twenty-seven Days E. T. Johnson Looked in Ruins of Building for Partner Who Worked With Him and is at Last Rewarded

SAN FRANCISCO, May 14.—After a search of twenty-seven days in the ruins of their former place of business, E. T. Johnson found the charred remains of his business partner and life-long friend, Theodore Hansen, this morning.

Johnson and Hansen was the firm name of a restaurant at 102 Front street. On the morning of the earthquake Johnson was behind the cashier's desk in the front of the establishment, and Hansen, who was the chef, was busy in the kitchen. The flimsy building fell with a crash and the partners, the only two men in the place, were buried beneath tons of debris.

Johnson managed to work his way out and was not very badly urt. He searched the ruins for his unfortunate partner, but was driven away by te flames which started almost immediately after the building fell. Every day since the fire swept that section of the city he has been looking for the body of his friend.

ARTICLES OF INCORPORATION

The Monte Cristo mining and development company yesterday filed articles of incorporation. There are two million shares of stock having a pr value of one dollar each. The stockholders are J. F. Monroe, J. N. McLeod, Mrs. D. R. Raynor, Park Barnes and C. E. Clough.

DIVORCE PROCEEDINGS

A suit for divorce was begun yesterday by Lottie E. Dougherty against her husband, Thomas Dougherty. The plaintiff alleges failure to provide for herself and four minor children. She asks for the custody of the children and a portion of the personal property.

Mildred Holcolm, a pupil of Miss Loder's class in the Central school building was struck yesterday afternoon by falling plaster, which became loosened in some way from the ceiling during school hours. The injury done Miss Holcolm was slight and will not cause her to miss a day at school although her shoulder was badly bruised.

ANOTHER ROBBERY AT THE SKATING RINK

Another robbery occurred at the skating rink Saturday night and the proprietors of the place are ten dollars poorer as a resul. The money was taken from a closet inside the hall, the thief gaining an entrance by cutting a hole in the panel of the door large enough to admit his hand, after which the latch was turned. How an entrance was gained into the hall is not known, but it is surmised that skeleton keys were used. It was presumably the work of a child, as the hole in the door panel was not large enough to admit a man's hand. There is no clue as to who committed the robbery.

DENIES THE RUMOR OF ANOTHER EARTHQUAKE

Last evening a rumor was in circulation on the streets of Reno that another earthquake had visited the coast metropolis and was even more severe than the one on the memorable morning of April 18th.

The Associated Press however, denied the story and said that there was no truth in it whatever.

FAIR AUDIENCE AT WHEELMEN'S BENEFIT

Excellent Programme Rendered at McKissick's Opera House—Wrestling by Japs and Whites and Mariner's Orchestra Features of Show

The entertainment given Sunday night under the auspices of the Wheel-men's Club and under the personal direction of A. B. Manheim and Stage Manager Al Pape was a decided success.

Although the audience was not quite up to expectations in point of size, there was a material sum turned over to Treasurer O. J. Smith of the Relief Committee to be used for the benefit of the San Francisco victims of fire and earthquake.

Among the successes of the evening should be mentioned the Japanese wrestling bout between two Japanse champions. This was a most interesting exhibition of jiu jitsu, and the match between Braun and Miller was also very exciting. Braun won one fall and Miller the other. Mariner's orchestra was also given an ovation. Composed of nearly twenty amateurs it discoursed most pleasing music. The following is the personnel of the orchestra: Misses Emma Higley, Helen Banta, Grace Ward, Lovella Bradshaw, Dora McGuire, Rosella Christie, May Dunning, Alta Pierce and the Misses Gould. The male contingent was composed of Messers Stever, Goldstine, Ben Smith, Teter, Martin Pierce and Smith. Professor Mariner directing.

The extempore boxing contest between Carl Smith and Al Pape, which was interpolated in the middle of an amusing farce, was well received; Edward D. Trainer, a refugee from San Francisco, proved himself a clever entertainer and was given a hearty reception; Harry Gelder, the new physical director of the Wheelmen's club, gave a splendid exhibition of club swinging. He made public announce- Wheelmen's Club and under the permenent of the organization of a ladies' class and a children's class in physical training in the club which classes he will give the benefit of his extended experience in such work. Hayes and Smith were popular as usual in their rag time selections. Other numbers which were well received were given by A. G. Frye who sang a baritone selection. Al Pape's statues which were beautifully posed and set; the Boys' Band which played selections before the programme. W. B. Anthony, who sang a tenor solo, and finally the one act farce which was most amusing.

RE-HEARING IS DENIED

WASHINGTON, May 14.—The Supreme Court of the United States has denied the petition for a he-hearing in the Chicago Traction cases.

STREETS WILL BE TORN UP ONCE MORE

Concrete Already Laid Will Have to be Opened Up to Permit Laying of Conduits for Telephone Wires as Ordered by City Council

The missing car of machinery addressed to the Barber Asphalt Company at Reno has been finally located and will arrive in this city not later than Wednesday. There is a possibility it may be here today.

By some unaccountable error the car was sent to Nebraska, from thence it was reshipped to Portland, where the tracers located it.

There still will be an uncomfortable delay in the completion of the work on the streets owing to the order of the City Council to the telephone company providing that the latter place its wires underground on all the streets now under repair. This will necessitate the tearing up of the concrete, where laid and will extend the period during which Reno's streets will still be to the bad. Meantime, the Barber Asphalt Company will not prepare any more streets for paving until those now blocked up are finished.

C. E. Kent, general manager of the company, arrived in Reno yesterday, and expressed himself as pleased with the work thus far done.

HIGH SCHOOL PUPILS HOME FROM OUTING

The high school pupils who were the guests for a couple of days last week of the Virginia City high school returned Sunday from the Comstock city well pleased with their trip and reception. They made a trip down the C. & C. mine Friday afternoon and in the evening were entertained at a social dance given in their honor at the National Guard Hall. On Saturday they made the ascent of Mount Davidson, and covered the trip in two hours and a half. On Saturday evening they enjoyed a banquet at Pythian Hall and on Sunday morning they visited the Butters' Cyanide plant.

The following are some of the speakers at the banquet on Saturday night: George McCourt, Arthur McKinly, Katie Stoddart, and Ray Corbett.

A most amiable spirit prevailed throughout the trip and the visitors are loud in their praise of their Virginia City entertainers.

MORRILL DECLARES HE IS POSSESSED OF GOVERNMENT PERMIT

Now comes J. J. Morrill, who declares that he has a governmental permit to fish at the Derby Dam. He says that this permit is signed by United States Engineer L. H. Taylor, and that Uncle Sam is back of his methods of fishing.

District Attorney Craig was asked for an interview on this question and stated that he had been advised of Morrill's alleged claims and that he would consult with United States District Attorney Platt at Carson relative to the matter.

The question of Morrill's claims to governmental protection is an interesting one, and legal minds are divided on its significance.

The fact that the government has given a permit to fish in the Truckee river contrary to State law is not regarded by some as competent to permit such fishing; others declare that if Morrill is possessed of governmental consent to trap fish at the Derby Dam he cannot be stopped.

Morrill was formerly fishing at the Electrict Light dam, but there were various complaints and he moved away. Later it was learned by the Gun Club that he was again operating near the Derby Dam, and witnesses were sent to investigate the charges. It is claimed that these witnesses saw the methods in operation by Morrill and so reported to the Reno Gun Club.

District Attorney Craig states that he will prosecute any one found catching fish in violation of the law. It is a question among the members of the legal fraternity whether he would be able to prosectue Morrill, if the latter has a permit from the government.

This will be decided within a few days.

WILL REPRESENT LOCAL HIGH SCHOOL

Twenty Students Strive for Oratorical Honors and Will Compete for Prizes at the University gymnasium—Good Work Is Expected

The preliminary declamation contest preparatory for the meet to be held at the University on May 26, was held yesterday at the high school. There were twenty contestants for the honor of representing the high school. Walter Harris and Harold Hale were decided the best of the boys, being given first and second place, respectively; while honors to the young ladies fell to Marie Schott, who won first place, and Vera Ross, who won second place.

Mrs. J. Lewis, Miss Maud Bruett and Professor Waits were the judges.

The students acquitted themselves splendidly, and much oratorical ability was displayed. There will be a splendi contest in this line of school work when the various high school of the State send their delegates to compete for the prizes.

Books of popular literature and classic; both prose and poetry, will be given to those who are declared the best and the entire list of contestants will appear on the evening of May 26th in the University gymnasium.

The interest manifested yesterday by the pupils of the local school and the general excellence of the work is an indication that Reno will put up a splendid effort on the night of May 26th for the honors in the declamatory contest.

CITY COUNCIL MEETS

The City Council met last night but transacted no business. A recess was taken immediately on the opening of the meeting. Mayor Wilson is at present in the eastern part of the state, but is expected home within a few days.

DARK MYSTERIES AT DARKTOWN JAMBOREE

But little leaks out from the rehearsal hours of the Ladies Minstrel Show of a personal nature; the identity of the normally fair performers is being kept a dark secret—as dark as burnt cork and unusual costumes can keep it. No ones knows their names.

For instance, who are the Spangle Sisters? Their names are not in the directory but their fame is already established by report of those who have been privileged to see them practice. Daffodil and Hyacinth Lightfoot are also dark mysteries, and the lovely Lay Octette by four darktown belles and four equally dark but lightfooted gallants are also bound to please incognito. Then the King of Diamonds and Lively Tildanit will be there and act up to their names But who are they? That is a question that the ladies of the Optimista Society are guarding with very un-feminine care.

It will be a great show tomorrow night at McKissick's and Thursday night as well. It should also not be forgotton that a portion of the receipts go to help the San Francisco sufferers.

Curtain Will Rise Early

The curtain will rise at 8:15 promptly. Not like most amateur performances where a weary wait is to be expected. Come early, then, on Wednesday and Thursday night at the opera house.

Come Early—Avoid the Rush

Owing to the length of the programme for the Ladies' Minstrels, the audience is requested to be in their seats promptly. The curtain will rise at 8: 15, and not later. Don't miss the opening chorus and the grand entrance of the six jolly end men.

DUCK HATS FOR COLLEGE GIRLS

M. F. Goodwin & Co. will have on sale the coming week the finest assortment of college girls' duck hats ever shown in Reno. These summer hats are all the rage in eastern cities and look swell on young ladies. Goodwin's will make a specialty of these goods and have ordered a large shipment, which will arrive tomorrow. With these also come a number of the famous Hanlon trimmed hats, which will be sold at remarkably low prices to show the ladies of this city that Goodwin & Co. intend to lead in the millinery line. m13tf

CASES HEARD IN JUDGE BELL'S COURT

Decision Rendered for Defendants in the Case of Schroeder vs. Roch and Collins—Other Cases Continued

The case of Schroeder vs. Robb and Collins was decided in the justice court yesterday, Judge Bell rendering judgment for the defendants, in the amount of $26.17, and the costs of the case. The case arose over the furnishing of stone construction for the Sparks schoolhouse by Schroeder, he claiming that the contractors, Robb and Collins, were still indebted to him in the amount of $254.17. the evidence was to the effect that Roob and Collins had paid him more money than the amount of the bill, Robb and Collns having receipts showing that fact.

Other cases in the justice court were as follows:

On motion of the defendant the case of Charles Stanton, charged wtih murdering a Mexican, was continued to JJune 11 at 10 a. m.

Julius Schwartzchild had H. W. Edwards, formerly employed at the skating rink, arrested on the charge of petty larceny, accusing him of stealing a number of admission tickets to the rink. Edwards was released on cash bail of $25, which was furished by Claude Mershon.

RAILROAD TICKET LOST

A half-fare ticket to Boston was lost yesterday somewhere in the neghborhood of the Hotel Golden. A suitable reward will be given for the return of the ticket to the landlady of the Savoy, on Center street.

Married in Portland

Miss Annie Foster, a graduate of the University of Nevada, was married in Portland on May 3, to Charles E. Jones, a business man of that place. Miss Foster has many freinds in this city and was a popular young lady in University and society circles.

See the great race tonight at the skating rink. It will be a corker.

WEATHER BULLETINS ARE AGAIN RESUMED

The first weather forecast issued since the San Francisco fire was received today from McAdie, chief of the weather bureau on the Pacific Coast.

The headquarters of the meterological offices were located in the Mills building, on Montgomery street. This structure escaped much of the damage that leveled other buildings to the ground; but the apparatus of the weather bureau, located on the roof of the building, was entirely destroyed, involving considerable financial loss. This has now been replaced, and although crippled, the weather bureau will again resume the bulletins which have made the weather bureau service in San Francisco and throughout the Coast of great value to commerce.

Following is the report:

Yesterdays' observations at the local office, U. S. Weather Bureau:

Maximum temperature, 59 degrees, minimum temperature, 45 degrees, mean temperature, 52 degrees, which is 2 degrees below normal.

Accumulated excess of temperature since the first of the month, 74 degrees.

Accumulated excess of temperature since the first of January, 449 degrees.

Precipitation to 6 p. m., .03 of an inch.

Accumulated excess of precipitation since the first of the month, .85 inches.

Accumulated excess of precipitation since the first of January, 2.40 inches.

BRYAN WILL FACE A VIGOROUS TRIAL

District Attorney Craig Accepts the Assistance fo General Woodburn in Forthcoming Trial of Alleged Slayer of Daniel Casey

Attorney Woodburn of Carson City, communicated per phone last evening with District Attorney Craig and asked him if he would object to Woodburns' assistance in the prosecution of Sherman Bryan, charged with the murder of Daniel Casey.

Attorney Woodburn said that he is acquainted with the Casey family, and has been approached by them and asked permission to assist in the prosecution of Bryan.

District Attorney Craig replied that he would be pleased to accept the assistance of Woodburn in the trial, and that the prosecution of Bryan would be urged with the utmost vigor.

As Prosecuting Attorney Craig has worked up a reputation in Washoe county that is a terror to evil doers; with Woodburn, formerly United States District Attorney, as his assistant, it is believed that Bryan will be given a hard run for his liberty.

Lewers & Huskey are lawyers for the defense and will put up an interesting fight for the life of a man.

Justice Bell admitted Bryan to bail yesterday in the sum of $3,000, which was advanced by T. K. Hymers and S. J. Hodgkinson, as bondsmen.

LUMBER FIRM SENDS MANAGER TO RENO

W. D. Kelly, formerly of Muskegon, Mich., has taken charge of the local business of the Truckee Lumben company in Reno and surrounding country. Mr. Kelly first came to Reno last year to investigate some mining property for a syndicate of Michigan people. He was so favorably impressed with the west that he concluded to take up his residence here. Mr. Kelly was for 10 years a member of the Michigan legislature and for several years secretary of the Muskegon Chamber of Commerce.

The entrance of the new manager into this field is evidence of the intention on the part of the Truckee Lumber Company to vigorously develop this district and to work up its business here. The firm has had a represeniation here for some time, but till now it has not worked up its business in this section.

MONEY ORDER FAMINE HAS NOW BEEN LIFTED

The money order famine has been lifted in Reno, and Agent Burke's troubles have ended. In response to to a telegram sent to the general office at Chicago stating the case a supply was immediately sent and arrived in Reno yesterday.

The demand for money orders is still keeping up and from all indications this month will eclipse all others in the sale of money orders.

Harry Marks, an employe of Crowder & Doyle at Long Valley, left Sunday afternoon for the lumber camp.

BEDDING AND CLOTHING NEEDED IN STRICKEN SAN FRANCISCO

San Francisco, May 10, 1906.

"Mrs. Captain Neff:

"The need for blankets, bedding of any kind, is still very great in San Francisco in spite of the fact that many supplies are coming into the city. There are many, many persons who have not enough clothing and bedding to keep them warm.

"The children from the Maud B. Booth home have been sent to Los Angeles for a short time and we are turning the building into a shelter for aged people. For this purpose also, we need a great supply of bedding. Would you kindly see what you can do to aid in this work. We will pay the freight charges."

The foregoing letter was written by Mrs. Colonel Duncan, who, with her husband, is in charge of the Pacific Coast Regiment of the Volunteers of America. She is in a position to know the needs of this stricken, fallen city.

The Volunteers of this city urge the fact that many here have plenty and may well afford to give.

Captain Neff said: "Let us help while we can. Send articles of clothing and bedding and all other supplies to 421 Chestnut Place, or address a card to the Volunteers of America, box 62, Reno. Captain and Mrs. Neff will see to it that your contribution of supplies is sent promptly and they guarantee that it will be most welcome to the sufferers in San Francisco.

FOUR BLACK MEN GIVEN FLOATERS

Were Found Around the Machine Shops and Arrested on Vagrancy Charge

Four negroes giving their names as Harry Jones, Walter Davis, John Daly and Ben Boyd, were arrested Sunday night in the yards of the railroad company. They had been told several times by the nightwatchman to leave but refused to do so. Finally they were arrested and lodged in jail where they spent the remainder of the night.

Yesterday morning they were arrained before Judge Pollock on the charge of vagrancy. They pleaded guilty and were given six hours to leave town and made a hasty departure. The men claimed to be refugees from San Francisco and were hard looking characters.

A dope fiend who refused to disclose his name, was also arrested yesterday and given a lecture and a floater by Judge Pollock. Since the new jail has been completed the town has been comparatively free from this class of people and the officials state that it is their intention to maintain that condition.

VIBROPLEX INSTALLED

Dispatcher McDonald of the Salt Lake division has purchased vibroplex sending instrument. The instrument is designed to take the strain of the operator's arm by changing from a vertical to a horizontal motion when sending a dispatch. The dots used in the code are made automatically by the machine without any effort on the part of the operator.

BEFORE THE COURT

The case of E. Everett, charged with the murder of Master Mechanic Malone at Hawthorne on April 18th, will come up before the grand jury of Esmeralda county today.

MEMORIAL DAY EXCURSION TRAIN

Knights of Pythias Will Place Three Cars at Disposal of Sparks People

The local lodge of the Knights of Pythias is making arrangements for an excursion train to Wadsworth on Decoration day for the benefit of the people of Sparks who have relatives buried at the old town. Three cars will be placed at the service of the Sparks people and transportation will be free. The train will leave this city on the morning of May 30th, and will return in the evening, thus enabling the people of Sparks to spend the day at Wadsworth where so many Sparks people have relatives buried.

A special train was run by the Knights of Pythias last year and two cars were provided. They were not enough to accommodate the crowd and it was decided to have three cars this year.

F. E. S. Gates and S. N. Browning have made arrangements with a florist at Sacramento to act as local agents for him and will be prepared to take orders and deliver in Sparks or Wadsworth flowers in any quantity for Decoration day.

THE BOWLING CONTEST

The bowling contest held on the Wallstab alleys Saturday and Sunday was won by Bert Michaeljohn of Chilcoot Pass. His score was 188. There were many good scores made in the contest and it was participated in by many bowling enthusiasts. Another contest will be held this week.

Annual Banquet by English Club

Members of University Society Close Work of Year in Appropriate Manner

The annual banquet of the English Club was held last night in the university dining hall and was one of the finest social events of the year. It was attended by all the members now at college and many of the alumni also graced the banquet board and took part in the festivities of the evening.

The tables were handsomely decorated and a fine menu was served during the evening. Miss Bertha Kinemeyer, presiding officer of the club, acted as toast mistress and toasts were responded to by Dr. Louderback, Miss Laura McDermott, Beulah Herschiser, Emily Berry and Fannie Ruggles.

The English Club has had a very stormy career during the past year but succeeded in withstanding all its adversities and has finished the semester in a very creditable manner. At the banquet last night officers for next year were chosen.

Juniors May Not Visit Comstock

Mines Are Now Closed Down and Students May Not be Allowed to Work There

It is more than likely that the annual trip of the junior mining class to the Comstock mines will not be made this year owing to the fact that nearly all the mines are closed down. Professor Ira Baker, head of the department of civil engineering, will leave this morning for Virginia City and will endeavor to get permission from the superintendent of one of the mines for the class to visit the mine and make a survey of its interior and examine the timbering. If he succeeds in his enterprise the class will leave next Sunday and will spend one week on the Comstock.

If Professor Baker is unsuccessful in his undertaking the class will spend the week in the Wedekind district making a survey and map of that mine. They will go out every morning and spend the day there, returning to Reno each evening.

"NO CURE, NO PAY"

How Cann Drug Company Sells Hyomei, the Guaranteed Cure for Catarrh

Cann Drug Company has an unusual offer to make to our readers, one that will be of the greatest value to many.

For some years they have been watching the results from the use of Hyomei, a treatment for catarrh that cures by breathing medicated air, absolutely without any stomach dosing. The results have been so universally successful that this firm feels justified in making a public offer to treat the worst case of catarrh in Reno with the understanding that if Hyomei does not cure, the treatment will cost absolutely nothing.

The regular Hyomei outfit costs only one dollar and consists of a neat pocket inhaler that can be carried in the purse or vest-pocket, a medicine dropper, and a bottle of Hyomei. If this is not enough for a cure, extra bottles of Hyomei can be obtained for 50 cents.

The Cann Drug Company positively guarantee a cure, if Hyomei is used in accordance with directions, or it will refund the money.

COAST BALL LEAGUE ACCEPTS MORLEY'S FORFEITURE

Franchise of Los Angeles Team Is Taken Up By Ewing, McCreedie and Evans and Will Likely Be Transferred to Sacramento

OAKLAND, May 14.—The Pacific Coast Baseball League tonight accepted the forfeiture of the Los Angeles team franchise from James Morley. The franchise was taken up by Ewing of San Francisco, McCreedie of Portland and Evans of Fresno. In case the Los Angeles grounds lease cannot be renewed, the franchise will be trasnferred to Sacramento. The league will remain intact. Ewing, Evans and McCreedie will buy Seattle's franchise in case it is forfeited. James Agnew of Seattle wired tonight for a definite decision. The league will meet tomorrow to re-arrange a game schedule. Team salaries were fixed tonight at $2,00. Morley's $1,500 forfeit was returned to him.

WASHINGTON, May 14.—In a pitchers' battle running ten innings today between Kitson and Donovan, Detroit won for the third time. A close decision at first base against the home team which resulted in two runs for Detroit, nearly precipitated a riot after the game, a dozen policemen being necessary to escort Umpire Connor to the dressing room. Score:

	R.	H.	E.
Washington	1	5	12
Detroit	3	6	1

Kitson and Heydon; Donovan and Warner.

BOSTON, May 14.—The eleventh successive defeat was inflicted on the home team today by St. Louis. Score:

St. Louis	11	15	2
Boston	1	6	2

Howell and Rickey; Young and Graham.

National League Games

ST. LOUIS, May 14.—Boston proved easy for St. Louis today. Brown held the visitors in check without any trouble while Witherup got a bad start and was given but ordinary support. Score:

	R.	H.	E.
St. Louis	6	7	1
Boston	1	5	3

Brown and McCarthy; Witherup and O'Neil. Umpires—Carpenter and Conwy.

NEW YYORK, May 14.—Overall weakened in the ninth inning, allowing four hits and giving four bases on balls. The local team batted in every run it secured. Score:

	H.	R.	E.
Cincinnatti	3	9	0
New York	6	8	0

Overall and Livingston; Mathewson and Bratnahan. Umpires—O'Day and Johnstone.

CHICAGO, May 14.—Chicago hit McIntyre freely and stole bases off Brooklyn's battery almost at will. Score:

	R.	H.	E.
Chicago	10	11	1
Brooklyn	1	5	3

PITTSBURG, Pa., May 14.—Pittsburg won out today by good hitting in the tenth inning. Score:

	R.	H.	E.
Pittsburg	7	9	0
Philadelphia	6	9	2

Hildebrand, Leever and Peltz; Lush and Ritchie and Dooin. Umpire—Klem.

NEW YORK, May 14—Cleveland-New York game postponed.

CLOSE CONTEST IS EXPECTED AT RINK

Mitchell of Denver and Gray of San Francisco Meet Tonight for Second Time to Race for Championship Roller Skating Honors

An event of considerable interest in sporting circles will occur tonight at the Wheelman's hall, when Artie Mitchell and Frank Gray will meet in the rink and race for championship honors.

The last time these two skating experts met at the rink the race promised to be a closely contested affair. Gray fell, however, and Mitchell was given the decision. At the time of the accident, Mitchell was only slightly in the lead of Gray, and there were eight more laps remaining. Gray, who was a champion from Mechanics' Pavilion in San Francisco, immediately challenged Mitchell for a return race and many believe Gray can beat the Denver boy.

The fact that the first race was rather an indicisve one and not won entirely on the merits of the contestants, and the further fact that both men are trained and eager to race, promises good sport tonigat at the skating rink.

At the last race there was a crowd on hand to witness the efforts of the contestants; it is expected that the crowd tonight will be even greater on account of the interest that is being taken in the claims of the two racers on rollers.

RENO BOYS WIN FROM CARSON BALLTOSSERS

By a score of 8 to 5 the Nevada Cycle Club baseball team of this city defeated the Carson League team at the Capital city Sunday afternoon. The game was a good one according to all reports and the issue was in doubt up to the final inning. The game was played at the race track diamond and was witnessed by a large crowd. The Reno boys report courteous treatment by the Carsonites. A return game will be played in this city on the afternoon of May 27th at the State Park. The line-up of the Reno team was as follows:

Meneta, catcher; Mihills, pitcher, Mrshon, 1st base; Girten, 2nd bse; McDonald, 3rd base; Cameron, short stop; Corsiglio, lf; Hogn, rf; Meneta, cf.

Wait for Hunger

Good Advice From the Cann Drug Company as to How to Create An Appetite

Any physician will tell you that it is unwise to eat unless one is really hungry. It is far better to miss a meal than eat without appetite.

But do not take a tonic, stimulant, or appetizer to make you hungry. The Cann Drug Company says that the best way to create an appetite is to restore the digestion to health by the use of Mi-o-no stomach tablets, a reliable remedy that they recommend to give the best of satisfaction.

When Mi-o-no is used the irritation and inflammation of the stomach coating will be soothed, the gastric follicles will be strengthened so that they will pour out the natural digestive fluids with regularity and the food you eat will be perfectly digested without distress.

A large box of Mi-o-n stomash tablets is sold for 50 cents by the Cann Drug Company, and it is so successful and reliable in curing indigestion and other stomach troubles, with the exception of cancer of the stomach, that they sell it under a guarantee that the money will be refunded unless it does all that is claimed for it.

BRAUN CHALLENGES THE JAPANESE WRESTLER

Bout Will Come Off Within the Next Two Weeks, and Terms Will Include Side Bet and All the Receipts, Less Club Expenses, to Winner

A wrestling match has been arranged between George Braun, who carried off honors recently at the Wheelmen's Club in the match with Harry Gelder, and the Japanese welter weight champion who showed Sunday night at McKissick's what he could do in a wrestling bout with a countryman.

The match between Braun and the son of Nippin will be catch-as-catch can and as Braun says 'everything will go."

The Japanese style of wrestling is greatly different from the American, as was seen at the performance Sunday night. It is a question of 'break" with the Japs, and jiu jitsu. But Braun says he is willing to put up any kind of a bout with the Jap and is confident of winning even at the Japanese game.

Articles of agreement are not yet signed, Manager Miller, for Braun, stating that the Jap's manager has to be consulted before final arrangements are made. Miller wants the terms to include a side bet and an award of the entire receipts, less club expenses, to the winner. This it is believed, will be acceptable to the Jap and a great contest is to be expected within the next two weeks.

View of Burning Frisco

Many people have been attracted during the past few days by an eight four-foot long panoramic view of the buring of San Francisco, which is on exhibition in the window of Harry Davis on Virginia street. It was taken on the morning of the earthquake and is a very clear and interesting composite photograph.

CALIFORNIA PLANTS

Mr. Chas. C. Navlet, the president or our company, recently visited Reno and was surprised to find so many beautiful homes without summer blooming plants—the only flowers he saw being lilacs. Any of the following plants will flourish as well in Nevada as in California, and as they are already half matured they will produce a mass of bloom this summer.

12 Chrysanthemum Plants for 35c---Postpaid

These Chrysanthemums are all magnificent exhibion varieties, and will produce long stemmed flowers of matchless form and entrancing beauty that measures from 8 to 12 inches in diameter.

12 Carnation Plants for 35c---Postpaid

The choicest varieties—will produce flowers of immense size, exquisite form, surpassing beauty and delightful fragrance.

12 Giant Flowering Aster Plants for 25c---Postpaid

Wonderfully prolific bloomers—the massive flowers rivaling those of the Chrysanthemum in beauty and diversity of form and color. All true giant flowering varieties of the most highly developed new types.

12 Mammoth Flowering Sweet William Plants for 25c---Postpaid

Very popular for clumps and borders. The flowers are exceedingly beautiful, delightfully fragrant and of many brilliant colors.

12 Mammoth Flowering Verbena Plants for 15c---Postpaid

The finest varieties in existence. They will commence to bloom and spread the day set out, and will soon cover the ground with a carpet of beautiful flowers.

12 Single Flowering Petunia Plants for 25c--Postpaid

These Petunias are matchless for beauty and luxuriance. Most of the flowers are exquisitely ruffled or fringed, and as large as saucers. They come in a tremendous variety of colors, markings, veinings, blotchings and stripings, and in the most beautiful and grotesque combinations. Some of the colors are rich and gorgeous—others are lovely and delicate.

12 Gaillardia Grandiflora Plants for 50c---Postpaid

These very showy and useful plants flower freely from early summer until frost. They are very effective when grown in masses, and as they last a long time after being cut, are splendidly adapted for vases.

12 Mammoth Flowering Cosmos Plants for 25c---Postpaid

The glory of the autumn garden. The flowers are as big as saucers, yet exquisitely dainty and airy.

12 Giant Flowering Daisy Plants for 25c---Postpaid

The pretty white or pink flowers when fully grown are larger than a silver dollar.

12 Quick Blooming Locelia Plants for 25c--Postpaid

These handsome border plants are gay with flowers all through the season.

Flowers will do more to make your home attractive than any other improvement of equal cost you can make.

GRAINS ARE FIRMER MARKET CLOSES AT ADVANCE

Prices in Chicago Wheat Pit Continue Strong for Most of the Late Day's Trading and Corn and Oats Firm in Sympathy

CHICAGO, ay 14.—With the exception of a brief period at the opening the tone of the market was firm all day. The opening weakness was occasioned by reports of scattered showers throughout the wheat-growing country in general, lower Liverpool cables and larger world's shipments, especially from Russia. Later came many reports that the crop in the southwest is suffering from lack of rain. On these advices prices advanced rapidly. The market continued strong until late in the day, when much of the advance was lost on profit taking. July opened ⅛c to ⅜c higher, at 80⅛c to 80⅜c, advanced to 81½@81⅝c and closed firm, ⅛@¼c up, at 81@81⅛c.

The corn market was firm the greater part of the day, cash houses buying liberally. Continued small local receipts furnished the principal incentive to buyers. July closed ½c higher, at 48⅜c.

The oats market held firm and strong. July closed ⅜@½c higher, at 32@32⅜c.

Provisions were quiet and steady. At the close July pork was up five cents, lard was up 2½c and ribs were a shade higher.

TACOMA, May 14.—Wheat—Half to one half cent higher; export, blue stem, 73c; club, 72c; red, 69c.

STOCKS YIELD TO DROP IN COFFEE GROUP

Reactionary Movement Sets After Advancing Tendency of Last Week and Market at the Close is Heavy With Only Slight Rallies for Day

NEW YORK, May 14.—The early stock market today gave no evidence of a change in the advancing tendency of last week, but before the day was over a clearly defined reactionary tendency developed. An explanation which seemed sufficient to satisfy the professional trading view, was that the recovery from the depression from the San Francisco calamity had run its due course.

The news of a large temporary loan by the Pennsylvania company and the reports current of a high rate of interest to be paid on the loan called renewed attention to the heavy capital requirements yet to be met in the money market.

Another incident of the day which affected speculative sentiment unpleasantly was the reduction in the dividend by the Parrott Silver and Copper company, a minor subsidary company of the Amalgamated Copper company. This operated to interrupt heavy speculative buying in the copper group based on the excited advance in the price of copper metal and copper mining stocks in London. The strength in this group was being used as the mainstay to hold it against the selling to take profits which was going on at other points. When the copper stocks gave way the whole market yielded.

This country's April exports of agricultural products showed an increase in value of $12,782,000 over those of the preceding April. The downward drift of proces of stocks continued through the afternoon and the closing was heavy with only slight rallies.

Bonds were firm. Total sales, par value, $1,072,000.

United States bonds were all unchanged on call.

Prices of Silver

NEW YORK, May 14.—Bar silver today is quoted at 66⅝c.

SYDNEY, N. S. W., May 14.—The steamer Miowera sailed today from Sydney for Vancouver with $1,800,000 in gold, probably intended for San Francisco.

It Is Dangerous to Neglect a Cold

GOLDYKE IS SCENE OF MANY NEW STRIKES

Reports From That District Show Encouraging Conditions — High Values in Free Milling Gold Are Uncovered by Progressive Men

A correspondent from Goldyke writes the following letter from that growing and thriving camp:

"I wish to inform you of the new strike made near the town of Goldyke and others in different parts of the Fairview mining district.

"An important strike was made in the new shaft of the Goldyke mine, which is the extension of the famous Goldyke Reef mine. The shaft on the extension is now down eighteen feet and is in ore the entire distance. Samples taken across the vein assay $265 and a two-foot streak on the footwall goes $635 to the ton.

"Another find of considerable importance was made a few days ago on the Washington property located close to the town of Goldyke. High values are reported to have been obtained here and the strike (which was made by Henry Jackman of Tonopah) is causing much excitement in the district. Many mining men are trying to find the continuation of the Washington ledge. Pannings from the Washington vein are most satisfactory and values extend for 12 feet across the vein and for 100 feet where work has been done.

"The shaft on the Goldyke Reef is now down 200 feet and ore taken from the bottom of the shaft shows good deposits of free gold. The general opinion expressed by the many mining men who have recently arrived here is that the Goldyke reef mine has every evidence of becoming on of the richest mines in the state.

"The St. Mary's group owned by Thomas Burns, has a tunnel of 100 feet and the ledge at the face of the tunnel averages $40 in free milling gold. About 900 feet east of the tunnel the ledge crops out for 100 feet in width and shows much free gold, several streaks assaying as high as thirty-seven ounces in gold. A recent offer of $50,000 is reported to have been made and turned down for the property.

"The Last Chance group, owned by A. E. Riordan, has lately discovered a big ledge, about twenty-five feet wide that carries good values in gold, silver and lead. This group is situated n Paradise mountains, one-half mile north of the Burns property.

"John Miles has also made a very important strike, on the Wayside claim. In doing his assessment work, he uncovered a big ledge that carries good values in gold.

"The Lone Star mine, owned by Everett and Dugan is having a shaft sunk of 100 feet depth. The crosscut in the bottom of the shaft shows a ledge of seven feet from which assays average $55. The Gold Crown owned by the same persons, is also disclosing good ore. A ledge in the bottom of the shaft averages $155 in gold and silver. The owners are now sacking for shipment to Mina.

"The Silver Bell mine is working under a bond. A shaft is being sunk and is down now 25 feet. It shows up good values clear across the vein. This claim was located by George Wolf, the District Recorder, and is stuated one-half mile west of the town of Goldyke."

Wool Keeps Steady

LONDON, May 14.—A good selection amounting to 19,200 bales were offered at the wool auction sales today. Competion was spirited. A large supply of cross-breeds was in active demand and prices were in sellers' favor. Merinos were readily absorbed. Cape's being in good demand. Americans bought a fair supply of medium; coarse cross-breeds and a few lots of Cape greasy combings at top rates.

ST. LOUIS, May 14.—Wool—Steady; medium grades combing and clothing, 25@29c; light fine, 24@25c; heavy fine, 18@20c; tub washed, 32@39c.

A LARGE SHIPMENT OF ORE FROM MASONIC

Eastwood & Wentfle Lease on the Pittsburg No. 1 Sends Seven Tons Assaying $300 Per Ton to Western Ore Purchasing Company

CARSON CITY, May 14.—Seven tons of ore averaging $300 per ton arrived today from Masonic for shipment tomorrow to Reno, where it will be treated by the Western Ore Purchasing company.

This shipment is from the Eastwood & Wentfle lease on the Pittsburg No. 1. These operators report that all properties in Masonic are making good showings and that steady shipments from that district are to be expected from now on. The entire area covering a country four miles wide and six miles long shows free gold.

The roads into Masonic are now open, the snow having almost entirely disappeared. In a short time six horse teams will be able to get through easily.

The teams of Eastwood & Wentfle Company will carry eight tons of supplies into Masonic. These supplies will be purchased in Reno and in Carson City.

Sciatica Cured After Twenty Years of Torture

For more than twenty years Mr. J. B. Massey of 3322 Clinton street, Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

Stop Grumbling

EDITORIAL COMMENT

The "Allison Amendment"

THE so-called Allison amendment to the railroad rate bill is a shifting device, considered as legislation, but it may be good enough politics.

It has already been accepted by the President, who has been fighting for restricted court review, and by the Aldrich senators, who are standing out for broad review and for direct legal responsibility on the part of the Interstate Commerce Commission.

The Hepburn bill, as it passed the House, is indefinite in its terms as to court review. It provides that orders of the Interstate Commerce Commission shall go into force and remain in force "unless suspended, modified or set aside by the commission or set aside or suspended by a court of competent jurisdiction." This was regarded as "court review" enough by the President and by the advocates of rate revision, but it was objected to by conservative Senators as insufficiently specific, and as providing no remedy against confiscatory government-fixed rates. Thus arose the controversy which has been shaking the Senate for the last three months.

What does this new Allison amendment do about this matter? It provides venue in any of the circuit courts of the United States for suits to be brought against the Interstate Commerce Commission to enjoin, set aside, annul or suspend its orders; and after doing so, it rather superfluously "vests jurisdiction to hear and determine such suits" in these courts. But is provides no security to the shipper pending one of these legal "hold-ups." It dodges that point altogether.

Of course, there is no telling what the courts will do with a compromise provision of this kind, when they get hold of it. The courts have little sympathy for laws intended to save the faces of politicians. They look for real meanings, and if they do not find them in a statute, it is so much the worse for the statute.

However, this amendment may help the rate bill through the Senate in some form, and get an intensely troublesome matter out of the way. After us the deluge—of lawsuits.

Telephone Competition

WE all know how telephone companies handle communities when they have their way. Opinion is not divided on that subject. How communities should handle telephone companies to insure efficient service and reasonable rates is, however, a matter not so easily settled.

Is competition better than monopoly?

Competition undoubtedly reduces rates. It has its disadvantages, however. In most cases, it means two telephones in each house instead of one; it means trying it all over again when you call up a subscriber on the rival line instead of your own. It means, also, that the cost of keeping touch with the whole city on two telephone systems exceeds the cost of a single system in cities in which one company has the field alone.

The question has become acute in this city because of the application of a new telephone company for a franchise. It offers most alluring terms to the city and to its subscribers. From a financial point of view, it raises a very serious doubt whether the city is getting all that it should from the present telephone company—and whether the subscribers are getting their service at a reasonable rate.

Instead of chartering a rival system and having the expenses of a war between the two assessed on the community, and having it further assessed upon to bear the expenses of their inevitable consolidation and the permanent loss due to reduplication of effort, the city should assert its rights and wishes in accordance with economic wisdom. It should exert the principle of municipal control, through the local administration. If, for any reason, that is impossible, it is always within the power of the city to invite competition.

THE house distrubutes most of the free seeds, but the senate has been getting out a good deal of the seed of wrath over the country of late.

THERE is no appreciable let up in the advancing cost of living. The "unprecedented era of prosperity" shows no sign of abatement.
